Dear Gary,

Harold tells me that you're digging up some of Penabaz' writings. Since I have a pretty good background regarding the extreme Right, we might as well combine efforts to avoid duplication.

Offhand, I can think of the following: CRUSADING PREACHER FROM THE WEST (the official biography of Hargis), RED RUIN IN THE CARIBBEAN and WHAT DO YOU KNOW ABOUT U.N.O.? All were published by Christian Crusade.

Nothing yet from Uncle Chester, but it's early yet.

Regards,

Burgh
